

### Ideas for using the template

Templates can be used at the actual size provided or increased or decreased in size to suit your purpose.

1. The template could be divided into sections and the children asked to complete the sections. Ideas for sections:

Goals for the year

Character strengths

Targets

Dreams

Personal information Eg favourite things/ subjects; hobbies

Family information Eg brothers and sisters/ pets

Self-portrait

Talents/ skills

2. Use the templates to create a welcoming display in the classroom to start the year.

3. Print onto white or coloured paper and back before displaying.

### Bunting Template

Make sure the flap at the top is not cut off. Fold it over and fasten. Slide string/ ribbon through the channel created at the top of the bunting. Group together as many triangles as desired to create your bunting.

Could be displayed In windows, across the room or on a board.
